Sub.:- Regulation of subscription to GPF under the GPF (W.B.S.) Rules.

Sir,

Kindly refer to your letter no.: Compt. / 95 dated 26.05.2015, on the subject cited above. In this connection, it may be stated that the instance of 'Lien' arises only on termination of a service towards a substantive post under the Govt. of West Bengal and as per the provisions of the GPF (W.B.S.) Rules, the balance, standing at the credit of a GPF Account Number of a subscriber to such Fund, becomes payable to the subscriber through the office from which the subscriber has resigned. There is no scope of continuation of subscription to GPF beyond the date termination of service, i.e., the date with effect from which the resignation has become effective. Issue of Lien confers upon the employee a right to return to the old assignment within the specified period. Hence any further subscription towards the old GPF A/C No. is not authorized under the Rules and they are destined to join the Provident Fund of the new organization following the Rules of such Provident Fund.

Yours faithfully,

11 JUN 2015
